**Playground (PLY) Access from a non-KHN Location**

Epic PLY or "Playground" Environment is where you can practice or review the assignments you had in class.

---

**Try It Out:**

   a. Prerequisites for this access: Remote access, Kettering Health Network ID and password, Citrix plugin 9.0 or greater installed on their local computer.
   b. If you do not have remote access, fill out one of the forms at the bottom of the page or call iSupport (937) 384-4500.

2. Once you have remote access click the appropriate icon. Enter your **Network User name** (Badge # w/the K), **Password**, and **Passcode**. Click Logon.
3. Select the Epic PLY Icon
   a. You may receive a pop-up asking for permission to open Citrix Systems, Inc. Follow steps as necessary to access Epic PLY.

4. A window might open with a message. Click Permit use.

   ![Permit use message]

   At the bottom of the page, this window may open:

   ![Open file confirmation]

5. Enter the Username and Password from the Tent Card you received from class or a training log in and password. Click Log In.

   ![Epic login page]
