

## Happy Together Link – EpicCare Link tip sheet.

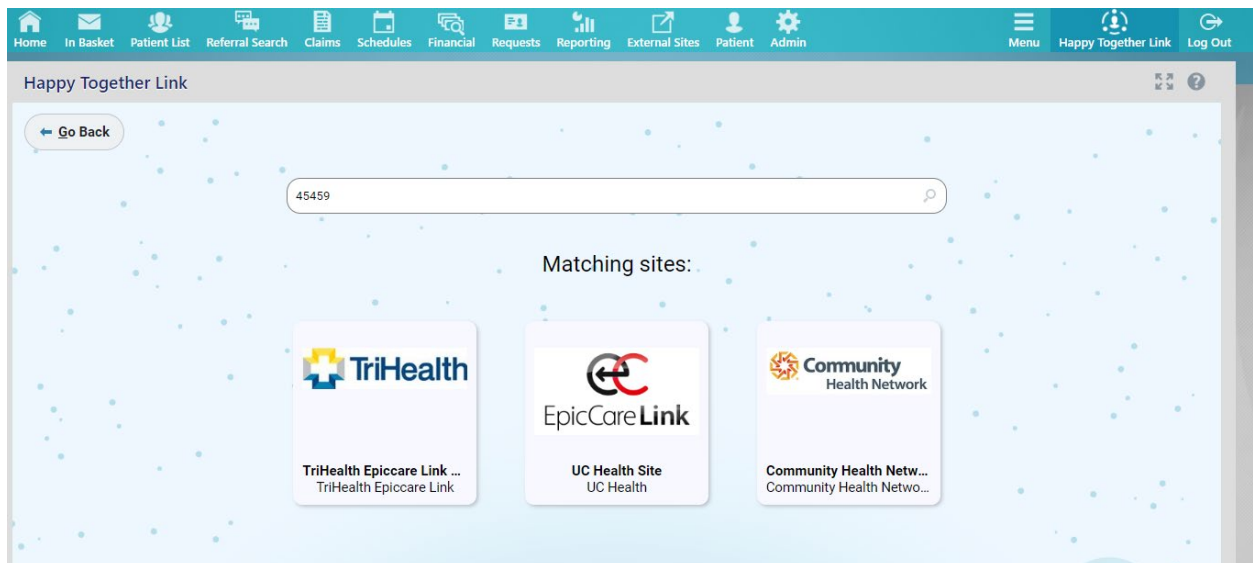

When signed into the EpicCare link account, you will see a Banner for Happy Together Link, you can Dismiss it at this time and look for it later in the menu, or begin to connect your accounts.

Clicking the link will take you to the page that will briefly describe the benefits and allow you to start the process in adding additional Site / locations.

Here you can search for the locations name, or search by Zip Code for locations close that participate in Happy Together Link. – note if the location is not listed they are not participating in the Happy Together Link at this time.

Select the Desired location- and it will take you to that organizations sign in page. Once signed in the accounts will be linked.
