Delineation of Privileges

Applicant's Name:

Instructions:

- 1. Click the Request checkbox to request a group of privileges.
- 2. Uncheck any privileges you do not want to request in that group.

months.

- 3. Check off any special privileges you want to request.
- 4. Sign/Date form and Submit with required documentation
- 5. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving doubts related to qualification of requested privileges.

NOTE:

Privileges granted may only be exercised at the site(s) and setting(s) that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.

This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

| | Required Qualifications |
|--------------------|---|
| Education/Training | Completion of an ACGME or AOA accredited Residency training program in Allergy and Immunology. |
| | OR |
| | Completion of an ACGME or AOA accredited Residency training program in Pediatrics. AND |
| | Completion of an ACGME or AOA accredited Residency training program in Allergy and Immunology. |
| Certification | Initial applicant requirements: current certification or active participation in the examination process, with achievement of certification within six years of completion of residency leading to certification in Allergy and Immunology by the American Board of Allergy & Immunology or in Allergy/Immunology by the American Osteopathic Board of Internal Medicine. OR |
| | Current certification in Allergy/Immunology by the American Osteopathic Board of Internal Medicine |
| | OR |
| | Current certification in Pediatric Allergy/Immunology by the American Osteopathic Board of Pediatrics |
| | |

Clinical Experience (Initial) Applicant must be able to provide documentation of provision of allergy and immunology services

Clinical Experience (Reappointment)

To be eligible to renew core privileges in allergy/immunology, the applicant must meet the following maintenance of privilege criteria: Current demonstrated competence and an adequate volume of experience with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of ongoing professional practice evaluation and outcomes.

representative of the scope and complexity of the privileges requested during the previous 12
