

Podiatry KHMC & KHMB & KHTR

Delineation of Privileges

Applicant's Name:

Instructions:

1. Click the **Request** checkbox to request a group of privileges.
2. **Uncheck** any privileges you do not want to request in that group.
3. Check off any special privileges you want to request.
4. Sign/Date form and submit with required documentation
5. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving and doubts related to qualification of requested privileges.

Clinical Service Chair: Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

NOTE:

Privileges granted may only be exercised at the site(s) and setting(s) that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.

This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

NOTE: A grandfather clause for board certification exists for those on staff as of 9/1/2009 or have completed their residency prior to January 1, 2000.

Required Qualifications Podiatry Type I	
Membership	To be eligible to apply for core privileges in podiatry (Type I), CLOSED for new initial applicants, those seeking reappointment must meet the following criteria:
Education/Training	The applicant must demonstrate successful completion of a podiatric residency accredited by the Council on Podiatric Medical Education (CPME).
Certification	Board certification/qualification as outlined in Article 2, Section 2.2, Eligibility - 2.2.2 in the Medical Staff Bylaws and demonstrated competence in the privileges requested.
Clinical Experience (Initial)	Applicants for initial appointment must be able to demonstrate the performance of at least 20 Type I podiatric procedures reflective of the scope of during the past 12 months or demonstrate successful completion of a CPME accredited podiatric surgery residency or research in a clinical setting within the past 12 months.
Clinical Experience (Reappointment)	To be eligible to renew core privileges in podiatry (Type I), the applicant must meet the following maintenance of privilege criteria: Current demonstrated competence and an adequate volume of experience of 20 Type I podiatric procedures with acceptable results reflective of the scope of privileges requested for the past 24 months based on results of ongoing professional practice evaluation and outcomes. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges.

Additional Qualifications

Podiatrists may admit, perform H & Ps, write orders and prescribe medications within the limits of their licensure and of the Medical Staff Bylaws, Organization Manual, and Credentials Manual. If treatment is not within the scope of practice as determined by state law, at the time of admission or becomes necessary during the course of hospital treatment, such treatment shall be under the supervision of a doctor who is a member of the medical staff with privileges to treat the specified medical condition. It shall be the responsibility of the admitting podiatrist to make arrangements with a doctor who is a member of the medical staff to be responsible for the patient's treatment. Mandatory medical consults are required for admission greater than 24 hours.

AND

Any practitioner may apply for a specific privilege in any of the identified types by documenting training and demonstrated current clinical competence in said procedure.

Acknowledgment of Applicant

I have requested only those privileges for which by education, training, current experience, and demonstrated competency I believe that I am competent to perform and that I wish to exercise at Kettering Health Main Campus, Kettering Health Miamisburg and Kettering Health Troy and I understand that:

A. In exercising any clinical privileges granted, I am constrained by applicable Hospital and Medical Staff policies and rules applicable generally and any applicable to the particular situation.

B. Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the applicable section of the Medical Staff Bylaws or related documents.
