

## Psychiatry Kettering Health

### Delineation of Privileges

Applicant's Name: \_\_\_\_\_

#### Instructions:

1. Click the **Request** checkbox to request a group of privileges.
2. **Uncheck** any privileges you do not want to request in that group.
3. Check off any special privileges you want to request.
4. Sign/Date form and submit with required documentation
5. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving and doubts related to qualification of requested privileges.

#### NOTE:

Privileges granted may only be exercised at the site(s) and setting(s) that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.

This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

#### Required Qualifications

|                                            |                                                                                                                                                                                                                                                                                                                                                                                                             |
|--------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Education/Training</b>                  | Completion of a residency/fellowship approved by Accreditation Council of Graduation Medical Education (ACGME), American Board of Medical Specialties (ABMS), or American Osteopathic Association (AOA) in psychiatry.                                                                                                                                                                                      |
| <b>Certification</b>                       | Current certification or active participation in the examination process, with achievement of certification within six years of completion of residency, leading to certification in psychiatry by the American Board of Psychiatry and Neurology or the American Osteopathic Board of Neurology and Psychiatry.                                                                                            |
| <b>Clinical Experience (Initial)</b>       | Applicants for initial appointment must be able to demonstrate the provision of inpatient, outpatient, or consultative services, reflective of the scope of privileges requested, for at least 30 patients during the past 12 months, or demonstrate successful completion of an ACGME, ABMS or AOA-accredited residency, clinical fellowship, or research in a clinical setting within the past 12 months. |
| <b>Clinical Experience (Reappointment)</b> | Current demonstrated competence and an adequate volume of experience with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of ongoing professional practice evaluation and outcomes. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges.                                       |
| <b>Professional Practice Evaluation</b>    | All new clinical privileges granted are subject to focused professional practice evaluation as follows:<br>Retrospective medical record review of Five (5) patient encounters.                                                                                                                                                                                                                              |

## Core Privileges Psychiatry

**Description:** This list is a sampling of procedures included in the core. This is not intended to be an all-encompassing list but rather reflective of the categories/types of procedures included in the core.

| Request |      |      |      |      |      | Request all privileges listed below. |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

|         |      |      |      |      |      |                                      | Admit, evaluate, diagnose, treat, and provide consultation to adult patients, presenting with mental, behavioral, addictive or emotional disorders, e.g., psychoses, depression, anxiety disorders, substance abuse disorders, developmental disabilities, and adjustment disorders. Privileges include providing consultation with physicians in other fields regarding mental, behavioral, or emotional disorders; pharmacotherapy; psychotherapy; family therapy; behavior modification; consultation to the courts; and emergency psychiatry, as well as the ordering of diagnostic, laboratory tests, and prescribe medications. Includes the performance of history and physical exams. May provide care to patients in the intensive care setting in conformance with unit policies. Assess, stabilize, and determine disposition of patients with emergent conditions consistent with medical staff policy regarding emergency and consultative call services. |

## Acknowledgment of Applicant

I have requested only those privileges for which by education, training, current experience, and demonstrated competency I believe that I am competent to perform and that I wish to exercise at a Kettering Health hospital(s), and I understand that:

A. In exercising any clinical privileges granted, I am constrained by applicable Hospital and Medical Staff policies and rules applicable generally and any applicable to the particular situation.

B. Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the applicable section of the Medical Staff Bylaws or related documents.
