

Gastroenterology KHDO
Delineation of Privileges

Applicant's Name:

Instructions:

1. Click the **Request** checkbox to request a group of privileges.
2. Uncheck any privileges you do not want to request in that group.
3. Check off any special privileges you want to request.
4. Sign/Date form and Submit with required documentation.
5. Applicant have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving doubts related to qualification of requested privileges.

NOTE:

Privileges granted may only be exercised at the site(s) and setting(s) that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.

This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

Required Qualifications

Membership

I request the following clinical privileges, and I am aware that a denial of privileges relating to a practitioner's professional competence or professional conduct will result in the hospital submitting a report to the National Practitioner Data Bank.
