

## Physical Medicine & Rehabilitation KHMC & KHMB Delineation of Privileges

**Applicant's Name:**

**Instructions:**

1. Click the **Request** checkbox to request a group of privileges.
2. **Uncheck** any privileges you do not want to request in that group.
3. Check off any special privileges you want to request.
4. Sign/Date form and Submit with required documentation
5. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving and doubts related to qualification of requested privileges.

**Clinical Service Chair:** Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

**NOTE:**

Privileges granted may only be exercised at the site(s) and setting(s) that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.

This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

### Required Qualifications

<b>Membership</b>	To be eligible to apply for core privileges in physical medicine and rehabilitation, the initial applicant must meet the following criteria:
<b>Education/Training</b>	Successful completion of an Accreditation Council for Graduate Medical Education (ACGME)- or American Osteopathic Association (AOA)-accredited residency in physical medicine and rehabilitation.
<b>Certification</b>	Current certification or active participation in the examination process with achievement of certification within six years leading to certification in physical medicine and rehabilitation by the American Board of Physical Medicine and Rehabilitation or the American Osteopathic Board of Rehabilitation Medicine.
<b>Clinical Experience (Initial)</b>	Applicants for initial appointment must be able to demonstrate provision of inpatient, outpatient or consultative services, reflective of the scope of privileges requested, for at least 24 patients during the past 12 months or demonstrate successful completion of an ACGME- or AOA-accredited residency, clinical fellowship, or research in a clinical setting within the past 12 months.
<b>Clinical Experience (Reappointment)</b>	To be eligible to renew core privileges in physical medicine and rehabilitation, the applicant must meet the following maintenance of privilege criteria: Current demonstrated competence and an adequate volume of experience with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of ongoing professional practice evaluation and outcomes. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges.

## Core Privileges Physical Medicine & Rehabilitation

**Description:** This list is a sampling of procedures included in the core. This is not intended to be an all-encompassing list but rather reflective of the categories/types of procedures included in the core.

Request		<i>Request all privileges listed below.</i>
KHMC	KHMB	Click <span style="background-color: #add8e6; border: 1px solid black; padding: 2px;">shaded blue check box</span> to Request all privileges. Uncheck any privileges you do not want to request.
		<b>- Currently granted privileges</b>

		Work physiology testing, treadmill, spirometry, radiographs, audiograms, pulmonary function tests (baseline) for respirator only interpretation

## Special Non-Core Privileges

**Description:** If desired, noncore privileges are requested individually in addition to requesting the core. Each individual requesting noncore privileges must meet the specific threshold criteria governing the exercise of the privilege requested including training, required previous experience, and for maintenance of clinical competence.

<b>Request</b>		<b><i>Request all privileges listed below.</i></b>
<b>KHMC</b>	<b>KHMB</b>	Click <b>shaded blue check box</b> to Request all privileges. Uncheck any privileges you do not want to request.
		<b>- Currently granted privileges</b>
		Administration of sedation and analgesia (See Hospital Policy for Moderate Sedation)

**Acknowledgment of Applicant**

I have requested only those privileges for which by education, training, current experience, and demonstrated competency I believe that I am competent to perform and that I wish to exercise at Kettering Health Main Campus and Kettering Health Miamisburg and I understand that:

- A. In exercising any clinical privileges granted, I am constrained by applicable Hospital and Medical Staff policies and rules applicable generally and any applicable to the particular situation.
- B. Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the applicable section of the Medical Staff Bylaws or related documents.
