

Preble County Medical Center Designated Parking Area's

Kettering Health (KH) has empowered the Chief of Police of Kettering Health Police Department to manage parking on all KHN sites in order to provide convenient parking for patients, visitors, special guests, physicians, medical staff, volunteers, employees and students. Parking will be implemented in such a way as to provide priority to our patients, visitors, customers and physicians. Police/Security Officers will conduct routine patrols of KHN parking areas and will courteously render assistance to all persons using KH parking areas, and will enforce parking regulations as appropriate on all KH campuses.

*All patients, visitors, and customers shall park in areas designated as General Parking.

*All employees, physicians and medical staff shall park in areas designated as Employee Parking.
